

USB - Micro USB cable in aramid fibre

SKU: TECABLEUNKEVMICK

Tangle-free cable in aramid fibre resistant to 100,000 folds for charging and data transfer, with USB 2.0 and Micro USB connectors, 1 metre long

The **Unbreakable Collection** is enriched with the **USB - Micro USB cable** made of **aramid fibre**: the ultra-resistant accessory to face any need.

Thanks to its special material properties, this cable for charging and data transfer is suitable for **extensive and long-lasting use**. The reinforced connectors have passed a stress test of **100,000 folds**: you can use it even in narrow corners where the fold is particularly accentuated.

The 1-metre long cable is **tangle-free** for a really practical use: you no longer have to worry about knots and tangles.

Characteristics:

- Made from aramid fibre
- Charging
- Data transfer and synchronisation
- Reinforced USB 2.0 and Micro USB connectors
- Tangle-free
- Length: 1 metre
- Stress test: 100,000 folds
