

Runway Fit Stereo Earset with adjustable holder

SKU: TESPORTINEARFITR

Sport Earset Runway Fit with adjustable holder, universal jack 3,5 mm

Earphones of Runway Fit series are suitable for all those who want to listen music during exercise. Thanks to the flexible arches that block them behind the ears, you can run without fear that you can lose them. The technical characteristics make them sweat resistant and offer optimum sound quality.

The Runway Fit headset convenience does not finish there: they come with an answer/end call button and a microphone so you can easily communicate with your smartphone. There is also a soft bag in the pack so you can always carry them with you without fear of damaging.
